# Gold Discovery Days Parade 2010

**Parade Theme: "There's Gold in them thar Hills".**

**Parade DATE: Saturday, July 24 @ 10:00**

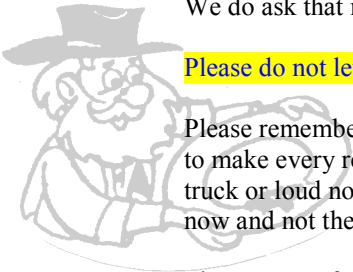

Parade line-up will be the same as last year. **All participants must enter from 5<sup>th</sup> Street onto either Montgomery St. Harney Street or Crook Street depending on which category you have entered.**

**Line-up begins at 8:30am.** Once you are in your proper order a parade volunteer will hand you your parade number, which needs to be placed on the right side of your vehicle or float for the parade judges.

**The parade will begin at 10am sharp.**

We do ask that if your float is throwing candy to please lightly toss it towards the feet of the parade watchers.

**Please do not let large gaps in the parade line-up to form, we ask that if this happens to do your best to fill it in.**

Please remember that this is a large parade. I will do my very best to put you where you want to be, but it is difficult to make every request happen and to make everybody happy. I need to try to not have horses where there is a fire truck or loud noise. This is for the safety of everyone involved. If you have a special request please let me know now and not the day of the parade!

Please return form (by the due date) mailing to Gold Discovery Days Committee, PO Box 350, Custer, SD 57730. You may also drop it off at the Custer Chamber of Commerce.

Thank you,

If any questions, contact Tina Kelley- Grable @ 440-2282/6732629 or Tammy Wicks @ 673-5180.
